Street Smart
SMART WORK ZONES

SOLAR-POWERED CAMERA TRAILERS

View Your Project Anywhere, Any Time.

Rent from Street Smart for 24/7 surveillance on your property. With our nationwide delivery, you'll be up and running in no time.

Our rugged solar-powered trailers and cameras ensure that every detail of your property is under watchful eye.

"Since renting these Camera Trailers, we've had ZERO issues. We should have started using these seven years ago. They are an invaluable loss-prevention/project management tool that we'll have on every job going forward."

-Ed J. Project Superintendent (Street Smart Customer)
