TRAILER-MOUNTED SOLAR LIGHT TOWER

Our rugged solar light tower trailers are used across the nation in a variety of applications. Light towers remove the hassles associated with generators and provide different brightness and timing settings. These trailers are as bright & effective as conventional diesel light towers, saving you thousands of dollars in fuel and labor each year!

FEATURE	DETAILS
Availability	Rent or Purchase Any Quantity. Anywhere! We'll deliever it right to your door.
Solar Panels	No more gas or generators to worry about. Solar panels tilt to various positions to maximize performance. Eliminate fuel, fuel labor, engine maintenance, and sodium light replacement costs.
Compact Design	Easy to transport and set up without taking up valuable space.
Controller	Schedule and control the brightness and length of your lighting event with easy-to-use selector switch.
